

Certificate III in Christian Ministry and Theology (30771QLD)

1. Aims

The Certificate III in Christian Ministry and Theology (30771QLD) course is designed to provide skills and knowledge in communicating the Gospel and serving the community either in the secular workplace or in Christian ministry work. This course will train leaders and potential leaders in a range of areas relevant to participating in and leading ministry activities in the local church.

2. Ministry/Employment Outcomes

This course will provide training in the background knowledge and practical skills required for both paid and voluntary workers employed in professional and Para-professional work that involves pastoral ministry within Christian organisations.

More specifically these courses will give students:

- A practical understanding of the Bible
- A foundation to think biblically and make ethical decisions
- Competence in communication (especially in communicating biblical concepts), conflict-resolution and people management skills
- Pastoral care and ministry skills with a heart for God and people

3. Overview

Both qualifications are fully competency based and while knowledge and some aspects of competency are assessed within the realms of each subject, completion of a ministry project demonstrating all areas of competency will need to be completed to graduate.

The student will obtain practical experience by undertaking field placements at their local church, with a Christian ministry or community service organisation. This practical experience is to be gained in an area that complements the assessment project and the immediate goals of the student.

A full-time student would normally undertake a study load of 2 subjects at any one time. Individual subjects may be delivered on a week by week basis or by intensives.

4. Duration

The Certificate III course can be completed in a minimum of one year when studied Part-time. You need to complete as Competent 8 subjects to graduate.

8. Course Competencies

Australia has a system of national standardisation of training for many industry areas. This system is implemented through the use of training packages (*groups of courses*) and individual units of competency within a course. This system enables students to get automatic recognition across all accredited government and private training organisations for relevant studies undertaken at any one of them. All elective competencies fall into this category.

There are no nationally recognised competencies developed for Christian ministry and Theology at this point in time. This course however is common to more Christian Colleges than any other accredited course in Australia and as such relevant units would have automatic recognition. 13. Refund Policy

If you have already paid your tuition fees, Lifestyle Training School will refund all or part of your fees on the following basis.

Firstly where a student wishes to withdraw from a subject of study or a course, a 'Notification of Withdrawal' form must be completed and submitted to the Lifestyle Training School office linked to your study. The date of withdrawal is the date in which written notification is received by the Lifestyle Training School office.

Once initial payment has been made the amount of 50% of first semester's fees is non refundable. This is to take account of the commitment the college has to make to trainers in deciding if subjects have sufficient numbers of students enrolled to proceed.

Students can start a subject/course a maximum of two weeks after the commencement date. There is no refund for late commencements. No refunds will be provided in relation to application fees, retreat fees, mission trip and/or international supplements.

Otherwise refunds will be made less the following withdrawal costs:

- prior to the cut off enrolment date for each term (Thursday before first week of term) – 10% of subject fees if payment has already been made.
- up to the first teaching week of term – 25% of the subject fee except where you have already been notified that a class for an optional subject will be running. In this case the full term fee is payable.
- after the first teaching week – no refund is payable.

The Principal of the local campus of Lifestyle Training School will make the final decision about refunds. Refunds will normally be made in Australian dollars even if the initial payment was made in another currency. The student is responsible for any currency conversion costs.

Full refunds of all relevant fees will be paid where the college defaults in its delivery (eg where a course doesn't run) in line with the provisions of the ESOS Act 2000 and the ESOS regulations 2001.
